GROVER ST

BLUE SAGE CREEK - *GRETNA*

5 3 4

TWO STORY

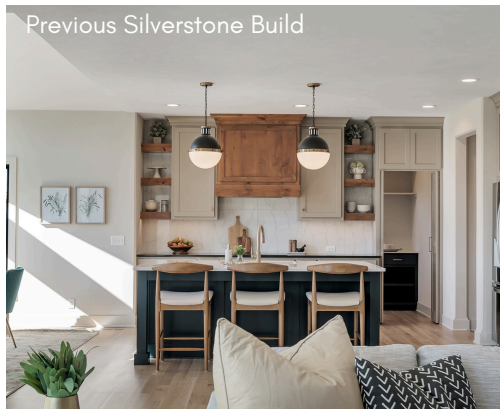

3781 SqFt

South facing Magnolia style 2 story home now under construction with Silverstone Building Co. in Blue Sage Creek 3. A beautiful deep lot providing a large back yard and nice privacy with distant back neighbors. A full tandem garage has room for 4 cars and a door has been added to access the backyard. Natural wood floors have been planned throughout the main floor. Silverstone's trademark for exceptional quality and style will be showcased throughout with first class finishes selected by Brianne Wilhelm at D3 Interiors accented by oversized windows. Careful thought has been given to the unique lot location and size throughout the planning process. Some selections may still be modified for this home's future owner.
