

# SPLIT THREE RAMBLER

 **2 - 3**
 **3 - 6**
 **3+**

A comfortable plan with modern style attributes and comfort of three bedrooms on the main level suitable for families and guests. Large windows accentuate views and offer natural light-filled living spaces. Basement finish options to add as many as three bedrooms, wet bar, and excellent entertainment spaces. This plan can be built from 1760 to over 2000 square feet on the main floor. Available in Magnolia (top photo) or modern Prairie (bottom photo) exterior. Customize a basement finish for additional bedrooms and entertainment areas.
