

SPLIT TWO RAMBLER

 **2-3**
 **2-4**
 **3+**

A versatile ranch style home plan with bedrooms located on opposite sides of the main level. The second bedroom serves as the perfect location for a guest bedroom or an office with a full bath nearby. The Split Two Rambler can be built with an extended garage to accommodate a full tandem.

Build a Split Two Rambler with 1665 main floor square feet and larger. Available in Magnolia (top photo) or modern Prairie (bottom photo) exterior.

Built by Silverstone Building Co. at:
6513 So. 208th Ave | 20632 Woodridge Dr | 10210 Caspian Dr
