

TWO STORY

 **3 - 4**
 **4 - 5**
 **3 +**

Silverstone's Two Story home plan delivers on traditional comfort with modern style and a smart functional layout. For a custom build the plan offers tremendous versatility with the opportunity to add office space(s), a garage to accommodate up to 4 cars and shop space, and a basement finish that can add a bar, entertainment space, a bedroom, and a bathroom. The Two Story can be built from 2544 square feet to 3,000 + square feet above ground. Available in Magnolia (top photo) or modern Prairie (bottom photo) exterior.
